**STANDARD GUARANTEE**  
**(Recommended by American Shorthorn Association)**

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

# General Information

**LOCATION**—Effingham is located half way between Atchison and Holton on Highway No. 159.

**TERMS**—Cash. Settlement must be made with the clerk immediately at the close of the sale. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars and trucks in compliance with instructions from purchaser.

**GUARANTEE**—All cattle will be sold under the guarantee of the American Shorthorn Breeders' Association.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS**—Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Milton H. Nagely, Abilene, Kansas: Ted Aegerter of American Shorthorn Breeders' Association, Seward, Nebraska or to the auctioneer, Wilson Hawk, Effingham, Kansas.

Announcements from the auction box will take precedence over printed matter in the Catalog.

**HEALTH**—All cattle will sell T. B. and Bangs tested, and official calf-hood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

**LUNCH**—Can be obtained at the grounds sale day.

**TELEPHONE**—To reach the sale manager or consignors sale day, phone the Effingham Sale Barn, Effingham, Kansas.

Cattle will be sold in a heated sale barn.

### SALE MANAGER'S MESSAGE

This is the fourth annual sale for the Northeast Kansas Shorthorn Association. The offering consists of ten bulls and twenty-six females. Most of the bulls are ready for heavy service.

The females consist of cow and calf pairs, bred cows, and open heifers. Some of these heifers would make ideal 4-H projects.

H. H. Humphrey, largest consignor in this sale, is selling sixteen head of Shorthorns purchased from Schreiber Farms when they dispersed their herd. Many of the Schreiber females carry the service of Belview Augustus. Three calves by the AAA bull sell in this sale.

A daughter of Temple Contrite, the top beef bull at the Effingham All-Breed Bull Clinic last year, sells in this sale.

Both Shorthorn and Polled Shorthorn cattle sell. Many herds have started from these sales. Your next herd bull or replacement female could easily be found in Effingham on April 8.

Immediately following this sale of registered cattle, we will sell Commercial cattle. We have consignments of bred cows and open heifers suitable for herd replacement. Also several consignments of light weight steers. We expect more consignments by sale day.

Don't forget the banquet the evening of April 7th.

Milton H. Nagely, Sale Manager
